The 2019 Spring Tour

Radiant and profound, Danielle's work delights us with its beauty and inspires us with its uplifting message of hope.
Join this award winning, inspirational and beloved artist on her UK tour this spring.

... *only love*

it is all **we are here** for
to **give** and **receive**
to **delve deeply** into
to **hold high** the light...
even in **our own** darkness

and in the **stones** of **sorrow**
to be **love itself**.
